Program Descriptions

Super Small Science!

Introduce your preschool scientist to exciting hands-on and age-appropriate experiments! Activities this month include:

- April 3 – Dancing Popcorn
- April 10 – Sink or Float
- April 17 – Seed Bombs
- April 24 – Walking Water

Pop Up Science!

Museum Playologists have several different fun and interactive science kits to break out with kids and explore all things STEAM-related! Activities this month include:

- April 4 + 6 – Smelly Balloons
- April 11 + 13 – Rainbow Film
- April 18 + 20 – Chemistry is Colorful
- April 25 + 27 – Orbiting Objects

Get Up & Go!

Designed to keep your kiddos moving, these fun and physical games teach teamwork and skills that can carry home to your own backyard!

- April 3 – Line Walking
- April 10 – Stacking Cups – Body Bowling
- April 17 – Kiddo Yoga w/ a certified children's yoga instructor from Wright Way Yoga
- April 24 – Line Jumping

Pop Up Play!

Museum Playologists could pop up anywhere with a fun new challenge for you and your family to enjoy! Join us to exercise your brains and bodies with a variety of action-packed activities.

Painting & Popcorn!

Your child will be able to create their own one-of-a-kind painting to hang on the wall at home or give to a special person in their life. Plus, snacks and juice boxes provided to fuel the creative energy! This class is \$5 per child, with Museum membership or admission. Register online at www.ChildrensMuseumEC.com

Bunny Visit & Photos!

Celebrate spring with us at CMEC and our favorite real-life bunny visitor, Noli! Stop by to see her, pet her and take photos just in time for Easter. Free with Museum membership or admission.

Special Art Café Project (April 19-20)

Create an upcycled tote bag using just an old t-shirt and scissors! This special project is to celebrate Earth Day and a reminder to reduce, reuse and recycle!

Tech Tuesdays: Open Lab!

We're opening up a digital playground for you every week! Join us in our Failsafe Lab where you'll get to create and play with our coding kits, 3D printers, robots, Augmented Reality Sandbox, and more! The experience is only limited by your imagination! Free with Museum membership or admission. Feel free to drop in anytime during the two-hour window.

Mini Makers: Open Lab!

Twice a week, let your fingers do the talking! Build and create using real tools of the trade. We'll also provide all of the string, beads, cardboard, wood, tape, etc. to create the project of your dreams...and then you get to take your masterpiece home with you! Free with Museum membership or admission. Feel free to drop in anytime during the two-hour window.

Parachute Games!

Kiddos ages three and up will love jumping, moving, dancing, grooving and all sorts of games with the GIANT parachute!

Cardboard Construction!

Failsafe will convert into a fort-building space, full of cardboard, MakeDo Kits and all of the necessary items to create some huge structures! Feel free to stop in anytime to join in the architectural fun. Free with Museum membership or admission.

Planetarium Show: Sky Stories! (April 5, 11, 12, 19)

Join us in our inflatable Planetarium for an outta this world show! Visitors will explore the many constellations in our night sky. Shows start promptly at listed times, with room for only 25 guests. Sign-up sheets will be posted outside Failsafe 30 minutes prior to the start of the show. Free with Museum membership or admission.

Planetarium Shows brought to you by:

Monday	9:00a to 5:00p
Tuesday	9:00a to 5:00p
Wednesday	9:00a to 5:00p
Thursday	9:00a to 5:00p
Friday	9:00a to 5:00p
Saturday	9:00a to 5:00p
Sunday	12:00p to 5:00p
