Program Descriptions

Super Small Science!

Introduce your preschool scientist to exciting hands-on and age-appropriate experiments! Activities this month include:

- February 6 – Oil Spill Cleanup
- February 13 – Finger Print Inspection
- February 20 – Fizzy Ice
- February 27 – How do Penguins Stay Dry?

Pop Up Science!

Museum Playologists have several different fun and interactive science kits to break out with kids and explore all things STEAM-related! Activities this month include:

- February 2 – Gravity Fail
- February 7 & 9 – Stomp Rockets
- February 14 & 16 – Smelly Balloons
- February 21 & 23 – Ready Set Fizz
- February 28 – Investigating Clouds

Get Up & Go!

Designed to keep your kiddos moving, these fun and physical games teach teamwork and skills that can carry home to your own backyard!

- February 6 – Simon Says
- February 13 – Snowball Fight
- February 20 – Kiddo Yoga w/ a certified children's yoga instructor from Wright Way Yoga
- February 27 – Bean Bag Balance

Mini Makers Camp!

Get your hands on basic building! We'll provide the tools and supplies, you bring your imagination. The next great invention awaits! This five-day camp for 4K kids happens Friday mornings or afternoons starting February 1. Registration is required and the cost is \$50 per member child/\$60 per non-member child.

Pop Up Play!

Museum Playologists could pop up anywhere with a fun new challenge for you and your family to enjoy! Join us to exercise your brains and bodies with a variety of action-packed activities.

Painting & Popcorn!

Your child will be able to create their own one-of-a-kind painting to hang on the wall at home or give to a special person in their life. Plus, snacks and juice boxes provided to fuel the creative energy! This class is \$5 per child, with Museum membership or admission. Register online at www.ChildrensMuseumEC.com

Night at the Museum!

Sign up your little valentines for the Museum's only drop-off event! Get some of your shopping done, go out for a nice dinner or just take a little 'me' time while we play with the kids! Night at the Museum is for children K-5th grade. The evening includes multiple craft and project stations, robot demos with UWEC's Blugold Beginnings crew as well as a pizza dinner thanks to Toppers Pizza. The cost is \$10 per member child/\$15 per non-member child. Pre-registration is required. This event is limited to 100 kids.

Tech Tuesdays: Open Lab!

We're opening up a digital playground for you every week! Join us in our Failsafe Lab where you'll get to create and play with our coding kits, 3D printers, robots, Augmented Reality Sandbox, and more! The experience is only limited by your imagination! Free with Museum membership or admission. Feel free to drop in anytime during the two-hour window.

Mini Makers: Open Lab!

Once a week, let your fingers do the talking! Build and create using real tools of the trade. We'll also provide all of the string, beads, cardboard, wood, tape, etc. to create the project of your dreams...and then you get to take your masterpiece home with you! Free with Museum membership or admission. Feel free to drop in anytime during the two-hour window.

Parachute Games!

Kiddos ages three and up will love jumping, moving, dancing, grooving and all sorts of games with the GIANT parachute!

Cardboard Construction!

Failsafe will convert into a fort-building space, full of cardboard, MakeDo Kits and all of the necessary items to create some huge structures! Feel free to stop in anytime to join in the architectural fun. Free with Museum membership or admission.

Planetarium Show: Sky Stories! (Friday 1st and 15th)

Join us in our inflatable Planetarium for an outta this world show! Visitors will explore the many constellations in our night sky. Shows start promptly at listed times, with room for only 25 guests. Sign-up sheets will be posted outside Failsafe 30 minutes prior to the start of the show. Free with Museum membership or admission.

Planetarium Show: Cosmic Colors! (Friday 7th & 8th)

Join us in our inflatable Planetarium for a wondrous journey across the entire electromagnetic spectrum! Discover the many reasons for color, like why the sky is blue and why Mars is red. Shows start promptly at listed times, with room for only 25 guests. Sign-up sheets will be posted outside Failsafe 30 minutes prior to the start of the show. Free with Museum membership or admission.
