Program Descriptions

Super Small Science!

Introduce your preschool scientist to exciting hands-on and age-appropriate experiments! Activities this month include:

- January 2 – Germ Science
- January 9 – Salt Strength
- January 16 – Science Behind Thunderstorms
- January 23 – Highlighters & Lemons
- January 30 – How Mountains Are Made

Pop Up Science!

Museum Playologists have several different fun and interactive science kits to break out with kids and explore all things STEAM-related! Activities this month include:

- January 4 & 5 – Cleaning Up Oil Spills
- January 11 & 12 – Chemistry Is Colorful
- January 18 & 19 – Draw a Circuit
- January 25 & 26 – Rainbow Film

Diggin' for Dinos Camp!

Excavate an adventure packed with fossilized fun! Through the month of January, kids will uncover the clues of the past as they embark on a prehistoric dino dig, learn about extinct animals and even cast their own fossils! This five-day camp is for kids in 4K and is scheduled for every Thursday afternoon in January from 2:30p to 4:00p. Registration is required, and the cost is \$50 per member child/\$60 per non-member child.

Pop Up Play!

Museum Playologists could pop up anywhere with a fun new challenge for you and your family to enjoy! Join us to exercise your brains and bodies with a variety of action-packed activities.

Painting & Popcorn!

Your child will be able to create their own one-of-a-kind painting to hang on the wall at home or give to a special person in their life. Plus, snacks and juice boxes provided to fuel the creative energy! This class is \$5 per child, with Museum membership or admission. Register online at www.ChildrensMuseumEC.com

Parachute Games!

Kiddos ages three and up will love jumping, moving, dancing, grooving and all sorts of games with the GIANT parachute!

Cardboard Construction!

Failsafe will convert into a fort-building space, full of cardboard, MakeDo Kits and all of the necessary items to create some huge structures! Feel free to stop in anytime to join in the architectural fun. Free with Museum membership or admission.

Get Up & Go!

Designed to keep your kiddos moving, these fun and physical games teach teamwork and skills that can carry home to your own backyard!

- January 2 – Jump Rope Challenge
- January 9 – Island Jumping
- January 16 – Kiddo Yoga with a certified children's yoga instructor from Wright Way Yoga
- January 23 – Head to Toe Stretches
- January 30 – Balloon Keep It Up

Tech Tuesdays – Open Lab!

We're opening up a digital playground for you every week! Join us in our Failsafe Lab where you'll get to create and play with our coding kits, 3D printers, robots, Augmented Reality Sandbox, and more! The experience is only limited by your imagination! Free with Museum membership or admission. Feel free to drop in anytime during the two-hour window.

Mini Makers – Open Lab!

Once a week, let your fingers do the talking! Build and create using real tools of the trade. We'll also provide all of the string, beads, cardboard, wood, tape, etc. to create the project of your dreams...and then you get to take your masterpiece home with you! Free with Museum membership or admission. Feel free to drop in anytime during the two-hour window.

Planetarium Show – Sky Stories!

Join us in our inflatable Planetarium for an outta this world show. Visitors will lie down under the stars and learn all about the incredible constellations in our galaxy! Shows start promptly at listed times, with room for only 25 guests. Sign-up sheets will be posted outside Failsafe 30 minutes prior to the start of the show. Free with Museum membership or admission.
