FAMILY FREE PLAY NIGHTS

Through partnerships with local school districts, Family Free Play Nights are held quarterly to provide free Museum access to families with students in free and reduced lunch programs. Visit CMEC's website to find the date for our next Family Free Play Night!

PASSPORT TO PLAY

For many children, a field trip is the first and only time they'll be able to experience the Children's Museum! Passport to Play provides mini-grants to schools and community organizations to help fund field trip visits.

SPECIAL KIDS NIGHTS

For families of children with special needs, visiting the Museum can prove difficult on a typical day. These special evenings offer a safe, soothing environment where the Museum is closed to the public and sounds & lights are turned down to give kids with special needs a special night!
